To Whom It May Concern:

The Culver Studios has always held a high value in embracing artists and giving them a wonderful venue to turn their ideas into reality. Since our inception, such timeless films as "Gone with the Wind," "King Kong," Wizard of Oz," "Spellbound" and countless others have called The Culver Studios home.

Having worked with Justin Memovich in the past, we are more than excited to offer him a place to turn his passion project into something we all can be proud of. Any of the resources his production team might need, we at The Culver Studios are more than happy to grant and provide. We look forward to a wonderful collaboration between his team and ours and wish him the best of luck.

Sincerely,

James Cella
President & CEO
